Annual Council Meeting	
Meeting Date	15 May 2024
Report Title	Allocation of Committee seats and Committee appointments for 2024/25
EMT Lead	Lisa Fillery – Director of Resources
Head of Service	
Lead Officer	Jo Millard – Democratic and Electoral Services Manager
Classification	Open
Recommendations	<ol style="list-style-type: none"> 1. That Council is asked to agree the political balance calculation as set out in Appendix I. 2. That Council is asked to allocate seats to those Committees and to agree the appointment of Members to those Committees, in accordance with the wishes of Group Leaders, as set out in Appendix II. 3. That Council determine the JTB membership based on the nominations at Appendix III.

1 Purpose of Report and Executive Summary

- 1.1 Political groups on the Council are formed in accordance with the Local Government (Committees and Political Groups) Regulations 1990 when 2 or more Councillors must notify the Proper Officer of their wish to be treated as a group. This report sets out the political balance and committee seat allocations for the civic year 2024/25.

2 Background

- 2.1 Section 15 of the Local Government and Housing Act 1989 requires Local Authorities to review the allocation of seats on Committees at the annual meeting, or as soon as possible after it (set out in Appendix I). Once the Council has agreed the allocation of Committee places between the political groups the Council must then appoint the nominees of the political groups to the Committees.
- 2.2 The following principles apply to the allocation of seats:
- (a) That not all seats on the body to which appointments are being made are allocated to the same political group;
 - (b) That the majority of seats on each Committee is allocated to a particular group if the number of persons belong to that group is a majority of the authority's membership;

- (c) Subject to (a) and (b), that, when allocating seats to a political group, the total number of their seats across all the ordinary committees of the Council, must reflect their proportion of the authority's membership; and
- (d) Subject to (a) and (c), that the number of seats on each Committee is as far as possible in proportion to the group's membership of the authority.
- 2.3 There are 134 seats to be allocated under the Committee System, noting that ungrouped Members do not automatically receive a proportion. The seat entitlement of each group on each Committee is thus based on the group's percentage representation on the Council as a whole as detailed in Appendix II. Whilst an initial version of this can be calculated mathematically, this usually results in a discrepancy between the strict entitlement of each group and the overall number of Committee seats to be allocated, requiring 'manual' adjustment to ensure that the number of seats allocated to each group is fair. This process is known as 'gifting'.
- 2.4 To ensure overall political balance, as the smallest rounded strict entitlement after whole figure calculations have been carried out, the Conservative Group lose 2 seats, one each on Economy and Property, and Licensing. Labour, as the largest group, have chosen to be gifted a seat on Licensing Committee and Swale Independent Alliance, as the second largest group will be gifted a seat on Economy and Property. This is set out in Appendix I.
- 2.5 Whilst sub-committees are also governed by the political balance rules, the overall requirement for total places to be balanced only applies to ordinary committees so sub-committee places do not need to be included in the overall calculation, but the membership of sub-committee places should be proportionate as far as is reasonably practical.
- 2.6 The Joint Transportation Board and the Planning and Transportation Policy Working Group are not committees covered by Section 101 of the Local Government Act 1972 and Section 15 of the Local Government Housing Act does not apply. The membership of the Planning and Transportation Policy Working Group will be for the Policy and Resources Committee to determine at its first meeting in June. While the Swale membership of the Joint Transportation Board does not need to be politically balanced, it does need to be agreed by Council.
- 2.7 Group Leaders have been requested to provide nominations to the places on Committees to which their respective groups are entitled; this has been set out in Appendix II.

3 Proposals

- 3.1 That Council is asked to agree the political balance calculation as set out in Appendix I.

- 3.2 That Council is asked to allocate seats to those Committees and to agree to the appointment of Members to those Committees, in accordance with the wishes of Group Leaders, as set out in Appendix II.
- 3.3 Groups' nominations for Swale's membership of the Joint Transportation Board can be found in Appendix III. Council is asked to determine JTB membership based on these nominations.

4 Alternative Options

- 4.1 Council can decide to change the number and size of Committees, however, this will have an impact on the number of seats available on the Council and will therefore require the political balance to be re-calculated to reflect this. Members are encouraged to make officers aware in advance of the meeting of any proposals of this nature.

5 Consultation Undertaken or Proposed

- 5.1 All Group Leaders have been asked to advise Democratic Services of their nominations to seats on Committees for their respective Groups. This will be circulated at the Council meeting.

To achieve overall balance:

Groups will need to negotiate with each other on losing seats as follows:

That the Conservative Group lose 2 seats based on the rounded allocation which will be 2 seats less than the current allocation - thereby, 2 seats on either Policy & Resources, Economy and Property, or Licensing, as shown on the attached political balance.

That the Labour Group gain 1 seat to fulfil their allocation, thereby one seat on either Policy & Resources, Economy and Property, or Licensing based on the committee with a shortfall seat as the largest majority party.

That SIA gain one shortfall seat as the second largest majority party on either Policy & Resources, Economy and Property, or Licensing.

Please note that in order to achieve the correct number of committee seats whichever seats the Conservative Group give up must be gifted to the Labour Group and SIA, who must negotiate with each other to agree the gifting of shortfall seats.

Please note:

†Individual Members may not sit on both the Investigation and Disciplinary Sub-Committee and Statutory Officers Disciplinary Appeals Sub-Committee.

Committees can establish Sub-Committees during the course of the year, with the number of members determined by the parent Committee. As long as the membership of the Sub-Committees is broadly balanced, the total entitlement of seats will be unaffected. This will also apply to the Swale Rainbow Homes Shareholder Representation Sub-Committee, the membership of which is to be determined by the Housing and Health Committee.

Annual Council Meeting	
Meeting Date	15 May 2024
Report Title	Borough Council nominations to outside bodies, trusts administered by Swale Borough Council and statutory bodies
EMT Lead	Lisa Fillery – Director of Resources
Head of Service	
Lead Officer	Jo Millard – Democratic and Electoral Services Manager
Classification	Open
Recommendations	1. The Council is asked to agree Borough Council nominations to outside bodies, trusts administered by Swale Borough Council and statutory bodies.

1 Purpose of Report and Executive Summary

- 1.1 This report is asking the Council to agree nominations to outside bodies, trusts administered by Swale Borough Council and statutory bodies.

2 Background

- 2.1 Council agreed a protocol on nominations to outside bodies in 2011. This includes a requirement that a nominee’s role is clearly defined, that the outside body is properly constituted, and that its aims and objectives are compatible with the Council’s. The protocol further requires that the nominee is indemnified against relevant liabilities by the outside body.
- 2.2 A Council nominee who accepts a position onto a board, trust or statutory body carries responsibilities and liabilities in law and nominees should consider these carefully before accepting the position. Further information can be obtained from the legal team.
- 2.3 Nomination to an outside body, once accepted, is a disclosable non-pecuniary interest under Swale’s code of conduct, and the nominee will need to amend their register of interests accordingly.

3 Proposals

- 3.1 The Council is asked to consider the Group Leaders nominations and decide who should be appointed to sit on each body as set out in Appendix I.

4 Alternative Options

- 4.1 Council could decide whether or not to make nominations to these outside bodies, and there is no obligation to make any nomination at all.

5 Consultation Undertaken or Proposed

- 5.1 The proposals in this report follow consultation with Group Leaders.

6 Implications

Issue	Implications
Corporate Plan	Nominations to outside bodies contribute to the council priority to renew local democracy and make the council fit for the future
Financial, Resource and Property	The cost of servicing the Council's committees will be met within existing budgets. The establishment of any additional Committee dates would have financial and human resource implications.
Legal, Statutory and Procurement	<p>Nominations to some outside bodies are as trustees and/or directors, which carries specific legal responsibilities and liabilities for the individual member.</p> <p>To ensure compliance with the Members' Code of Conduct any member taking up a position on an outside body must review the interests declared in their register of interests within 28 days of the position becoming effective.</p>

Recommendations	1. That Council agrees the programme of meetings set out in Appendix I to this report.

1 Purpose of Report and Executive Summary

- 1.1 Each year, the timetable of meetings is submitted to Annual Council to agree the proposed programme for the next municipal year.

2 Background

- 2.1 The Constitution requires the Council to agree a programme of meetings for the forthcoming municipal year.
- 2.2 Appendix I sets out a programme of meetings (including foot notes)
- 2.3 The timetable takes account of the need to ensure that important financial decisions such as the budget are taken in a timely manner and that meetings of the planning committee are scheduled to allow timeliness targets to be achieved. The timetable also sets dates for Member Training, should these be necessary.
- 2.4 The timetable tries to ensure that as far as possible extraordinary meetings of committees will not be necessary, as these can be difficult to arrange and have unplanned-for resource implications.

3 Proposals

- 3.1 That Members agree the proposed programme of meetings for the rest of the municipal year.

4 Alternative Options

- 4.1 The Council could suggest changes to the timetable of meetings, but the timetable proposed has been carefully planned to ensure key deadlines for

decision-making can be met. Any changes to the Committee structure would lead to amendments to the timetable of meetings.

5 Consultation Undertaken or Proposed

- 5.1 The draft timetable has previously been circulated to the Group Leaders, all other Members and the Strategic Management Team.
