12. Tables, chairs and removable furniture within a pedestrianised area covered by a traffic Regulation Order shall only be placed on the highway during the hours of pedestrianisation.
13. No tables, chairs or removable street furniture shall remain on the highway pursuant to this permission after the period of this licence has expired.
14. Tables and chairs must not be placed in position outside of the permitted times stated on the licence.
15. Tables, chairs and removable street furniture shall be taken inside and stored during the hours when the business is not trading.
16. During the hours of darkness, suitable and sufficient lighting must be provided to ensure safe use of the area. Any proposals to provide additional lighting to the licensed areas must be agreed with the Highway Authority.
17. The licensee shall be responsible for keeping the designated area as shown on the submitted plan in a clean and tidy condition at all times and shall ensure that any associated debris is removed at the end of each day and make good any damage caused to the surface area.
18. The licensee is responsible for disposing of all waste from the premises and should provide sufficient refuse facilities for customers use.
19. In some cases, extra measures may be required. This will be determined when assessing any application, on a case by case basis.

This may mean that the pavement licence will need to cease operating and/or be removed for a period of time. On these occasions there would be no compensation for loss of business.
24. The licence must be clearly displayed on the premises with a plan of the agreed layout of the Pavement Licence.

25. The licence is valid up to 30 September 2021.
