The Avenue of Remembrance Working Group

To ensure that the views of the communities in Sittingbourne are considered in matters relating to the maintenance and management of The Avenue of Remembrance.

- Working collaboratively to respond to the challenges and opportunities with regard to The Avenue of Remembrance
- To 'sense check' key decisions that may be taken by public bodies with regard to The Avenue of Remembrance
- To develop a vision and action plan for The Avenue of Remembrance to inform and guide key decisions
- To share ideas and promote best practice, encouraging a co-ordinated approach
- To promote equality and recognise diversity in the community

The group has been set up in particular in response to consider the replacement of damaged memorials, trees and tree grilles. However, the overall information provision

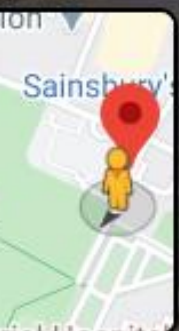

Brief

Design

- Worthy of attracting visitors.
- Memorials for individual trees.
- Robust and not easy to steal.

Tasks

- Survey and analysis (this has been undertaken and produced into a report).
- Design concept and detail.
- Cost estimation.
- Construction drawings.
- Assistance with applying for funding.

Avenue of Remembrance Today

NOW (googlemaps)

Google

NOW – the avenue of wonderful beech trees do take much of the footpath, the carriageway leads to the cemetery

PROPOSED – level paving and new memorials (indicative only)

PROPOSED – various colours of paving possible
