1. Purpose of Report and Executive Summary

- 1.1 This report sets out the Council Tax Base for 2021/22 which must be notified to major precepting authorities by 31 January 2021.

2. Background

- 2.1 Regulations made under the Local Government Finance Act 1992 (The Local Authorities (Calculation of Council Tax Base) Regulations 1992 (as amended)) require each billing authority to calculate its 'Council Tax Base'. The Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012 (SI 2012:2914) provides amended statutory guidance to incorporate the changes as a result of the introduction of the council tax support scheme from 1 April 2013.
- 2.2 The Council Tax Base is a measure of the Council's taxable capacity, for the purpose of setting its Council Tax.
- 2.3 This report presents Swale Borough Council's Council Tax Base, for 2021/22 and the Tax Bases for the Parish and Town Councils. The Council will use the Council Tax Base for 2021/22 in setting the Council Tax and determining the level of Council Tax income for 2021/22.

3. Proposal

- 3.1 The Council Tax Base has been arrived at by making a calculation of the relevant amount for each band i.e.
 - 3.1.1 the number of dwellings within the area of the Council as notified by the Valuation Officer;
 - 3.1.2 reductions anticipated during the year with due allowance for only part of the year;
 - 3.1.3 a prudent view on estimating the number of new properties that will be included on the Council Tax register;
 - 3.1.4 the estimated number of discounts;
 - 3.1.5 the assessment of these discounts at the appropriate percentage;
 - 3.1.6 the number of dwellings, which will be exempt;
 - 3.1.7 an allowance where it is anticipated that, due to disability, the person liable to pay the Council Tax is to pay a sum relating to a band lower than that under which the property is listed;
 - 3.1.8 a premium charged on empty properties.
- 3.2 A further adjustment is required to the Tax Base due to the Council Tax Support Scheme (CTSS) that replaced Council Tax Benefit, and was introduced for the first time in 2013/14. The CTSS is treated as a discount rather than a benefit and therefore reduces the Tax Base.

- 3.3 In determining the Tax Base, I have also reviewed the allowance made for the total collection rate. For 2020/21 the Council had a collection rate of 99.24%, and it is my opinion that this should be reduced to 98.94% for 2021/22.
- 3.4 The result of these calculations is that the Council Tax Base for 2021/22 is 48,040.12 (48,072.67 for 2020/21).
- 3.5 The details of the calculations for the whole of the Swale Borough Council and for the Parish and Town Councils within the Borough are shown in Appendices I and II.
- 3.6 As a billing authority, Swale Borough Council must issue to precepting authorities by 31 December a schedule of proposed payments in respect of their precepts and its own. This schedule of proposed payments must be confirmed and notified to precepting authorities by 31 January.
- 3.7 The payment of Parish Precepts is to be the same as for the payment of Parish Precepts in 2020/21, i.e. 50% by end of April 2021 and 50% by end of September 2021.

4. Alternative Options

- 4.1 The alternative option would be to use an alternative collection rate to apply to the tax base.

5. Consultation Undertaken or Proposed

- 5.1 There has been no consultation undertaken.
