Proposed Parking Amendments – The Street, Oare

We have received a request to amend the parking restrictions in The Street, Oare. It has been reported that vehicles park at this location for long periods, preventing short term parking by those wishing to access to local businesses and leisure activities. It is proposed to install a single yellow line to restrict daytime parking for a maximum of 3 hours between 0800 and 18:00 Monday to Friday, and a bus stop clearway to maintain bus access to the existing bus stop.

A plan of the proposed parking amendments can be found overleaf. We would be most grateful to receive your views as to whether you support or object to the proposals, and the responses received will be reported to the Swale Joint Transportation Board to consider at their next meeting. Please note that direct, individual responses will not be sent out in response to each questionnaire. At the end of the consultation a report on feedback will be compiled and this will be available on request.

Please e-mail your comments to us at engineers@swale.gov.uk or alternatively complete the reply slip below and return to Swale Borough Council Engineering Services, Swale House, East Street, Sittingbourne, Kent, ME10 3HT, by **Friday 12th March 2021**. A space has also been provided to allow you to add any further comments you may have. Thank you for taking the time to respond.
