# 1. Purpose of Report and Executive Summary

- 1.1 This report sets out the revenue and capital projected outturn position for 2021/22. The report is based on service activity up to the end of September 2021 and is collated from monitoring returns from budget managers.
- 1.2 The headline figures are:
  - Projected revenue overspend on services of £359,000 Table 1;

 Projected net impact of the Coronavirus pandemic of £726,000 as at end of September 2021.

### 2. Background

- 2.1 The Council operates a budget monitoring process at Head of Service level, with regular reports to the Leader and Cabinet Member for Finance and the Strategic Management Team.
- 2.2 Financial monitoring reports are presented to Cabinet on a quarterly basis, as well as to Scrutiny Committee.
- 2.3 This report will be going to Cabinet on 8 December.

### 3. Proposals

#### **Revenue Outturn**

3.1 As at the end of September 2021 the forecast revenue overspend projected to 31 March 2022 is £359,000.

<sup>3.2</sup> The revenue overspend of £359,000 includes four anticipated contributions to/from reserves, which will be made at year-end in order to comply with statute and previous Cabinet decisions, and these are detailed below:

Table 2: Transfer to Reserves from Ringfenced Services and non Ringfenced Services

| Service                       | Description  | £'000 |
|-------------------------------|--|-------|
| Ringfenced Servi              | ces:-  |       |
| Revenues and Benefits         | The net saving at year end will be transferred to the Revenues and Benefits reserve.   | 119   |
| Local Planning & Conservation | The overspend on the local plan will be transferred to the reserve at year-end to be used solely to fund Local Plan associated work in accordance with previous Cabinet decisions. | (40)  |
| Total Ringfenced              | Services   | 79    |
| Non Ringfenced Services:-     |  |       |
| Environment &<br>Leisure      | Proposed to use the Covid Reserve to fund the additional capital expenditure re Swallows Roof (reported in Table 3 & Appendix I Table 8. Refer to paragraph 3.8)                   | (82)  |
| TOTAL                         |  | (3)   |
| For noting only:-             |  |       |
| Environment & Leisure         | Proposed to use reserves to fund the loss of income claims re Leisure Centres (Covid) (reported in service line in Table 1) refer to paragraph 3.8                                 | (320) |

3.3 It is estimated that the Council will receive additional Government Covid funding of £198k of sales, fees and charges income for 2021/22. This is included in the forecasts in Table 1.

#### **Business Rates**

- 3.4 The Council collects business rates and distributes them to preceptors including the Government, Kent County Council (KCC), the Fire Authority and the Council and this is accounted for in the Collection Fund. The original forecast for 2021/22 was that the Council would collect £53m in total in 2021/22. Later the Government announced new reliefs on business rates for retail, local newspapers and nurseries which would reduce the income from business rates by £7m, but this will be offset by Government grants.
- 3.5 The Council budgeted that its share of the total business rates collected for 2020/21 would be £8.642m. There is a complicated system of levies and tariffs, and any deficit on the Collection Fund for 2021/22 will be allocated to each preceptor as a cost in future years.
- 3.6 The Business Rates Collection Fund has set aside £12m for appeals, of which the Council's share is £5m.

#### **Improvement and Regeneration Funds**

3.7 Table 3 below details the second quarter position on a number of reserve funds.

- 3.8 It is recommended that the following schemes are funded from the Covid Recovery Fund.
  - Swallows Roof additional capital expenditure £82k (reported in quarter 1 report)
  - Swallows and Sheppey Leisure Centres loss of income claims £320k (refer to Table 6 Appendix I)

The balance on the Covid Recovery Fund if the above are approved will be £594k.

- 3.9 The Sheppey Improvement Fund is £250,000 from capital receipts. Three projects have been allocated to be funded from this reserve: Sheppey War Memorial (£60,000); Public Toilets Sheerness Seafront (estimated £120,000) and Barton Point drainage works (estimated £115,000). The estimates for all these projects total £295,000 which currently exceeds the Fund by £45,000. Work is ongoing to address this difference and an update will be provided later.
- 3.10 It is recommended that delegated authority be given to the Leader and the Director of Resources to top up the Improvement & Resilience Fund as

- required from the Business Rates Economic Development Pool Reserve in order to meet the costs of the development of the Master's House.
- 3.11 Table 7 in Appendix I details the new allocations from the above funds to date.

#### **Capital Expenditure**

- 3.12 This section of the report details actual capital expenditure to end of September 2021 and highlights any variations between the revised 2021/22 capital budget and the projected outturn.
- 3.13 The revised budget includes the following approvals as detailed in Table 4 below. As a result of the ongoing review of the financial resources the funding for a couple of schemes has changed.
