

PART 3.1 – COUNCIL AND COMMITTEE PROCEDURE RULES

3.1.0 Introductory Note

These rules are generally applicable to Council and committee meetings. Those which are applicable only to Council are marked with an asterisk. See Rule 3.1.34 for more details.

3.1.1. Annual Meeting of the Council *

In a year where there is an ordinary election of Members, the Annual Meeting of the Council will take place within 21 days of the retirement of the outgoing Members. (The meeting usually takes place on the 12th day after the first Thursday in May). In any other year the Annual Meeting will take place in May.

The Annual Meeting will:

- (1) Elect a person to preside if the Mayor is not present;
- (2) Elect the Mayor; (see Procedure Rule 3.1.2 below);
- (3) Elect the Deputy Mayor (see Procedure Rule 3.1.2 below);
- (4) Approve as a correct record and sign the minutes of the last meeting;
- (5) Receive any announcements from the Mayor and Returning (or Acting Returning) Officer;
- (6) Elect the Leader of the Council;
- (7) Note the appointment of Deputy Leader, as made by the Leader;
- (8) Decide to establish at least such Committees as the Council considers appropriate, deciding their terms of reference and size, deciding the allocation of seats in accordance with the political balance rules and appointing Chair and Vice-Chair of all Committees of the Council as set out in Part 2 of the Constitution and appointing committee members, in accordance with nominations from Group Leaders, where applicable and voted on by Members of the relevant Committee only;
- (9) Approve a programme of meetings for the year;
- (10) Receive nominations of Councillors to serve on outside bodies and to appoint to outside bodies;
- (11) Receive nominations of Councillors and/or officers to be appointed as Directors of Companies where the Council has a right to appoint Directors;

(12) Agree any plan or strategy which forms part of the policy framework requiring implementation from the start of the civic year;

(13) Agree any other urgent item that cannot reasonably wait until the next ordinary meeting of the Council pursuant to Procedure Rule 3.1.5;

N.B. This does not mean that any other variations to the policy framework cannot be considered at a later date during the civic year.

(14) Note the Chief Executive's objectives for the forthcoming year.

3.1.2. Election of Mayor and Deputy Mayor *

The Council has agreed the following protocol in respect of the Election of Mayor and Deputy Mayor:

(a) The selection of Mayor and Deputy Mayor is not confined to one party;

(b) The Mayor and Deputy Mayor will be chosen on merit;

(c) The term of office for the Mayor and Deputy Mayor will normally be for one year;

The Mayor elect and Deputy Mayor elect will be agreed by the Council meeting prior to the Annual Meeting (usually February) with a proviso that in the year of ordinary Council elections, should those nominated not be re-elected at those elections, a meeting of Group Leaders will take place between those elections and the Annual Council Meeting.

Nominations for Mayor and Deputy Mayor shall be delivered to the Proper Officer no later than noon on the Thursday before the February Council meeting, signed by a proposer and a seconder, both of whom at the time of delivery of the nominations, shall be elected Members of the Council, who have made declarations of acceptance of office as Councillors.

Should more than one nomination be received for Mayor and/or Deputy Mayor, voting will be by secret ballot at the February Council meeting. At that meeting a ballot paper will be circulated for Members to cast one vote, and the result will be declared at the end of that meeting.

If no nominations are received, nominations for the Mayor and Deputy Mayor shall be requested at the Annual Meeting.

3.1.3. Ordinary Meetings *

Ordinary meetings of the Council will take place in accordance with a programme decided at the Council's Annual Meeting. Ordinary meetings will:

(1) Elect a person to preside if the Mayor and Deputy Mayor are not present;

(2) Approve as a correct record the minutes of the last meeting and the Mayor will sign the minutes;

(3) Give Members the opportunity to make Declarations of Interest as follows:

Councillors should not act or take decisions in order to gain financial or other material benefits for themselves or their spouse, civil partner or person with whom they are living with as a spouse or civil partner. They must declare and resolve any interests and relationships.

The Chair will ask Members if they have any interests to declare in respect of items on this agenda, under the following headings:

(a) Disclosable Pecuniary Interests (DPI) under the Localism Act 2011. The nature as well as the existence of any such interest must be declared. After declaring a DPI, the Member must leave the meeting and not take part in the discussion or vote. This applies even if there is provision for public speaking.

(b) Disclosable Non Pecuniary (DNPI) under the Code of Conduct adopted by the Council in May 2012. The nature as well as the existence of any such interest must be declared. After declaring a DNPI interest, the Member may stay, speak and vote on the matter.

(c) Where it is possible that a fair-minded and informed observer, having considered the facts would conclude that there was a real possibility that the Member might be predetermined or biased the Member should declare their predetermination or bias and then leave the room while that item is considered.

(4) Receive any announcements from the Mayor;

(5) Receive questions and any petitions from, and provide answers to, the public in relation to matters which are to be considered by the Council in accordance with the Petition Scheme (see Appendix 1);

(6) To answer any questions asked by Members in accordance with Council Procedure Rule No. 3.1.14;

(7) Receive reports from officers (Head of Paid Service, Chief Financial Officer and Monitoring Officer and Statutory Officers who have a statutory right to report);

(8) Receive reports about and receive questions and answers on the business of joint arrangements and external organisations;

(9) Consider any other business specified in the summons to the meeting;

(10) Consider motions received in accordance with Council Procedure Rule No. 15;

The Order of Business can be altered by the Mayor/Chair at their discretion, or by resolution of the Council moved and seconded and put without discussion, with the exception of (1), (2) and (3) above. Under Section 100B of the Local Government Act 1972 the Mayor may agree to late items being added to the agenda where they are of the opinion that they are urgent.

3.1.4. Extraordinary Meetings

An extraordinary Meeting may be called by the Mayor.

Any five Members of the Council may request the Mayor to convene a meeting if they have signed a requisition presented to the Mayor which shall specify the business to be transacted at the meeting; if the Mayor refuses to call a meeting or has failed to call a meeting within seven days of the presentation of the requisition, those Members may call the extraordinary meeting themselves.

Extraordinary meetings will be restricted to the business that the meeting was convened to consider. There is no requirement for the Minutes of the previous meeting to be considered.

In respect of other Committees/Panels, an extraordinary meeting may be called by either the Chair; or on requisition of a quarter of the whole number of the Committee/Panel delivered in writing to the Proper Officer, but in no case shall less than three members requisition an extraordinary meeting.

3.1.5. Urgent Items

The Mayor may accept an item for consideration which has not been included on the agenda for the meeting, if they are satisfied that it needs to be considered at the meeting as a matter of urgency. The reason for the urgency shall be recorded in the Minutes of the meeting.

3.1.6. Substitute Members

A Member can act as a substitute for another member at all meetings of the Council except for the full Council. If acting as a substitute on the Planning or Licensing Committee the substitute member must have undertaken appropriate training.

Names of substitute Members must be declared at the start of each meeting. Each political group must name the substitute even if that Councillor is not present at that time, as the membership at the beginning of the meeting lasts for the duration of the meeting (i.e. a Member cannot be substituted by a reserve, or vice-versa, part way through proceedings).

A Councillor who attends a meeting, as a substitute, speaks and votes in their own capacity. They do not relinquish their own personal responsibilities or, as it were, take on the mantle of their nominator. The substitute is personally under the same obligations as other Members to disclose an interest.

A substitute nominated to attend in place of the Chair or Vice-Chair shall not exercise the powers and duties of the Chair or Vice-Chair as the case may be. The meeting will need to elect a Chair as necessary.

In the event of the death or resignation of a Councillor, a substitute may be allocated to each Committee, Sub-Committee or Working Group, until any vacancy is filled by the Council.

3.1.7. Attendance at meetings

Any Member may attend any Meeting of the Council of which they are not a member (with the exception of the Standards Hearing Sub-Committee) and shall be allowed to speak subject to having given prior notification to the Chair.

A Member who has moved a Motion which has been referred to another meeting has the right to attend the meeting and speak to the Motion to explain it.

When minutes/recommendations from one Committee are being considered by a second Committee, the Chair of the first Committee has the right to attend and take part in the discussion on the minutes/recommendations, but will not have any voting rights unless they are a member of the second Committee.

3.1.8. Time and Place of Meetings

Meetings will usually commence at 7pm and take place at the Council Offices, Swale House, East Street, Sittingbourne, ME10 3HT. This will be displayed on the agenda for each meeting.

3.1.9. Notice and Summons to Meetings

The Proper Officer will give public notice of the time and place of any meeting in accordance with the Access to Information Procedure Rules. At least five clear working days before a meeting, the Proper Officer will send a summons to every Member, giving the date, time, venue and business to be transacted, including reports as available.

3.1.10. Chairing the Meeting

The Mayor or, in their absence, the Deputy Mayor will chair meetings of the Council. If both the Mayor and Deputy Mayor are not present, the Members at the meeting will elect a Chair for the meeting. The person presiding at the meeting may exercise any power or duty of the Mayor when conducting the meeting. The same principle applies to all other meetings of the Council (i.e. where the Chair is not present, the Vice-Chair will chair the meeting; if neither are present then the meeting will elect a Chair for the meeting). The committees will elect a Chair and Vice-Chair for the year at the first meeting of the committee in that municipal year. The Chair and Vice-Chair may be removed on a motion passed by the committee.

3.1.11. Quorum

The quorum for full Council meetings shall be one quarter of the whole number of members.

The quorum for all committees and sub-committee shall be one third of the membership of the committee or sub-committee subject to a minimum requirement of three Members for Committees.

There are different rules which apply to the Standards Committee Hearings which are set out at Appendix 2 to these Rules and the Swale Joint Transportation Board which are explained in Appendix 3 to these Rules.

If there is not a quorum 20 minutes after the time the meeting was due to start, no business shall be transacted, and the Democratic Services representative shall record that there was no quorum and the meeting will not take place.

During the meeting, if the Mayor or Chair (references to the Mayor throughout these rules shall include Chair wherever a rule applies to committees) counts the number of Members present and declares that there is not a quorum present, then the business shall be adjourned immediately. If after five minutes a quorum is still not present at the meeting, the remaining business will be considered at a date and time fixed by the Mayor, or the next ordinary meeting. The Democratic Services representative shall record in the minutes, the names of those present and absent and the time of adjournment.

3.1.12. Duration of Meeting

Meetings will finish by 10pm at the latest unless Members present vote for the meeting to continue for another half an hour. If at the end of that time there is still business to transact, Members can vote for further time (in periods of half an hour), or the remaining business will be considered either at the next ordinary meeting or at a time and date fixed by the Chair. This will not be later than seven clear days after the date of the adjournment.

3.1.13. Questions by Members

A Member may give notice that they wish to ask the Mayor, Leader or the Chair of any Committee a question at full Council subject to the following rules:

- (i) The question must be in relation to a matter in which the Council has powers or duties, or which affects the Borough.
- (ii) Notice in writing of any question must be given to the Proper Officer no later than 4.30pm on the Monday of the week before the meeting.
- (iii) There shall be a limit of two questions per member at any one meeting;
- (iv) With the permission of the Mayor, a member may put to the Leader or the Chair of any Committee any question relating to urgent business, of which the notice in (i) above has not been given, but a copy of any such question shall be delivered to the Proper Officer not later than 11am on the day of the meeting;

- (v) Questions will be placed on the agenda in order of receipt by the Proper Officer and will be dealt with on that chronological basis at the meeting.

Every question shall be put orally and answered orally without discussion and this agenda item will be limited to a maximum of 30 minutes.

Supplementary questions may be allowed at the Mayor's discretion but must be short and succinct and relate to the original question.

An answer may take the form of:-

- (a) a direct oral answer; or
- (b) where the desired information is in a publication of the Council, or other published work, a reference to that publication; or
- (c) where the reply to the question cannot conveniently be given orally, a written answer circulated to Members of the Council.

If a Member who has given notice of a question is not present at the Meeting at the appropriate time, the question shall not be asked. The Member can re-submit notice of the question at the appropriate time for the next meeting.

3.1.14. Motions with notice *

3.1.14.1 Notice of motions

With the exception of motions which can be moved without notice, written notice of every motion, signed or forwarded by email by a proposer and seconder (or appropriate number of Members if the motion is submitted pursuant to Council procedure rule 3.1.19.2), must be given to the proper officer not later than 4.30pm on the Friday before the agenda is dispatched. These will be recorded and open to public inspection.

No more than two motions submitted by Members will be listed on the agenda for debate per meeting. Motions will be listed on the agenda in order of receipt. Once two motions have been received by the proper officer for a meeting, no further motions may be submitted until the close of that meeting. Motions will remain on agendas unless the Member giving notice states in writing that they wish to withdraw the motion or move it to a later meeting.

The Mayor may agree to late motions being added to the agenda, in addition to the maximum of two that have been accepted for debate, where they are of the opinion they are urgent.

No motions will be accepted, subject to the Mayor's discretion in respect of urgent matters, at key budget decision meetings. The latter are defined as the budget setting meeting and the meeting setting the Council's fees and charges.

3.1.14.2 Treatment of motions

Motions submitted by Members will be limited to a maximum of 30 minutes' debate for each motion.

If a motion set out on the agenda is not moved at the meeting, either by the Member that gave the notice or another Member, it shall, unless postponed by the consent of the Council, be treated as withdrawn and shall not be moved without fresh notice.

If the subject falls within the terms of reference of another meeting it may, upon being moved and seconded, be referred without discussion to the meeting as the Council determines, for consideration and report. Alternatively, the Mayor can decide that the motion can be considered at the Council meeting.

3.1.14.3 Subject of motions

Motions must be about matters which the Council has responsibility for or which affect the borough.

Motions may seek to set a tone or general direction for future more detailed policy development work by the appropriate Council committees, or to provide an initial stimulus to that work, but the wording of a motion or an amendment must not be such that it could be interpreted as circumventing or seeking to circumvent the Council's constitutional decision-making processes.

Motions with the potential for budgetary or significant policy implications should request the relevant Committee to undertake the work necessary for a properly evidenced decision to be taken.

The monitoring officer will review the wording of all motions submitted and, in consultation with the Mayor, may if necessary reject a motion on the basis that its wording is in breach of this rule or that it is otherwise out of order, illegal, irregular or improper.

The monitoring officer will work with the Member who wishes to propose the motion to bring the wording into compliance with this rule in a way which is acceptable both to the Member and to the Mayor and monitoring officer, provided this can be completed before the deadline for the submission of motions. Where the Mayor is of the view that it would be helpful, any of the Council's statutory chief officers may append a concise note to a motion or amendment setting out any budgetary or other significant implications.

In the event that no agreement on wording can be reached and the motion is formally rejected by the monitoring officer in consultation with the Mayor, the monitoring officer will advise the member in writing of the reasons for this decision and submit a report of the decision to the next council meeting. This report will be noted without discussion.

In the event that a motion seeking to set a tone or general direction for, or to provide initial stimulus to, future policy development work is moved and seconded but not carried when put to the vote, this will in no way prevent the Policy and

Resources Committee or any relevant committee from working to develop policy along the lines proposed in the motion. In general the rejection of a motion at full Council will have no bearing on the future work of the Council or any committee (but refer to Rule 3.1.20.2 for the bearing it can have on future motions).

3.1.14.4 Motion to Remove the Leader

The Leader may be removed from office by resolution of the Council on the basis of a motion signed by five Members of the Council and included on the agenda for a Council Meeting.

Such motion must be given in writing to the Proper Officer at least 14 days prior to the relevant meeting and shall indicate the reasons for the motion. The motion shall take precedence over any other item of business.

If the Council passes a resolution to remove the Leader, a new Leader is to be elected:-

- (a) at the meeting at which the Leader is removed from office, or
- (b) at a subsequent meeting.

In the interim, the Deputy Leader must act in the Leader's place unless the Deputy Leader is unable to act.

3.1.15 Motions without Notice

The following Motions and amendments may be moved without notice:-

- (1) Appointment of a Chair of the meeting at which the Motion is moved.
- (2) Motions relating to the accuracy of the Minutes.
- (3) To change the order of business on the Agenda.
- (4) To refer something to an appropriate body or individual.
- (5) To receive reports or adopt recommendations of Committees, Groups or officers and any resolutions following from them.
- (6) That a Motion be withdrawn.
- (7) That the Council proceed to the next business.
- (8) That the question be now put.
- (9) That the debate be now adjourned.
- (10) That the Council do now adjourn.

- (11) That the Council continue its business.
- (12) Suspending Standing Orders (Procedure Rules), in accordance with Council Procedure Rule No. 3.1.30.
- (13) Motion to exclude the press and public from Meetings.
- (14) That a Member named be not further heard or be able to leave the Meeting.
- (15) By the Mayor under Procedure Rule 3.1.23 that a Member leaves the meeting;
- (16) A Motion under Section 100A(4) of the Local Government Act 1972, as amended, to exclude the press and public;
- (17) A request by any for the Policy and Resources Committee to review an existing policy or suggest a new policy by way of a motion (note: A policy shall not be re-considered by the Policy and Resources Committee within two years or before its built in review period, unless by resolution of the Full Council or as required by a change in legislation or national guidance;
- (18) A member may move, without comment, the following motions at the conclusion of a speech of another Member:
 - (a) to proceed to the next business;
 - (b) that the question be now put;
 - (c) to adjourn a debate;
 - (d) to adjourn a meeting.
 - (i) if a Motion to proceed to the next business is seconded and the Mayor thinks the item has been sufficiently discussed, they will give the mover of the original Motion a right of reply, and then put the Motion to the vote and proceed to the next business;
 - (ii) if a Motion that the question be now put is seconded and the Mayor thinks the item has been sufficiently discussed, they will put the Motion that the question be now put to the vote and if it is passed, will then give the mover of the original Motion their right of reply under Rule 3.1.16.7 of these Procedure Rules before putting their Motion to the vote;
 - (iii) if a Motion to adjourn the debate or the meeting is seconded and the Mayor thinks that the item has not been sufficiently discussed and cannot reasonably be so discussed on that occasion, they shall put the adjournment Motion to the vote without giving the mover of the original Motion their right of reply.

When a Motion in any of the terms in Rule 3.1.15 (18) has been moved, no further Motion in any of those terms shall be allowed in the course of the debate on the same matter within fifteen minutes unless in the opinion of the Mayor the circumstances have materially altered.

3.1.16. Rules of Debate *

A Motion or amendment shall not be discussed unless it has been proposed and seconded, and unless Notice has already been given in accordance with Procedure Rule 3.1.15 it shall, if required by the Mayor, be put into writing and handed to the Mayor before it is further discussed or put to the meeting.

3.1.16.1 Secunder's Speech

When seconding a Motion or amendment, a Member may reserve their speech until later in the debate.

3.1.16.2 Content and length of speeches

Speeches must be directed to the question under discussion or to a personal explanation or point of order (see Rules 3.1.16.8 and 3.1.16.9). No speech may exceed three minutes without the consent of the Mayor, provided that in moving a Motion of which Notice in accordance has been given, a Member may speak for not exceeding five minutes.

3.1.16.3 When a Member may speak again

A Member who has spoken on any Motion may not speak again whilst it is the subject of debate, except:-

- (a) to speak once on an amendment moved by another Member;
- (b) if the Motion has been amended since they last spoke, to move a further amendment;
- (c) if their first speech was on an amendment moved by another Member, to speak on the main issue, whether or not the amendment on which they spoke was carried;
- (d) in exercise of a right of reply;
- (e) on a point of order;
- (f) by way of personal explanation.

3.1.16.4 Amendments to Motions

Written notice of every amendment to a motion which has been published in a Council agenda or to a recommendation in a report on a Council agenda, signed or forwarded by email by a proposer and seconder, must be given to the proper officer not later than 4.30pm on the Monday preceding the Council meeting. These will be recorded and open to public inspection.

The Mayor may waive this rule during a Council meeting where it appears to them that allowing an amendment to be proposed and seconded without notice having

been given would be conducive to enabling the meeting to articulate a common position on the matter under debate.

An amendment shall be relevant to the motion and will either be:

- (a) to refer the matter to an appropriate body or individual for consideration or reconsideration,
- (b) to leave out words,
- (c) to leave out words and insert or add other words; or
- (d) to insert or add words.

as long as the effect of (b) to (d) is not to negate the motion. This paragraph applies only to amendments to motions, and not to amendments to recommendations contained in reports.

The wording of an amendment must not be such that it could be interpreted as circumventing or seeking to circumvent the Council's constitutional decision-making processes. This rule is described more fully in Rule 3.1.14.3.

Notice of amendments to the budget are to be given in the same way as notice of other amendments. The rules on the wording of amendments set out in Council procedure rule 3.1.14.3 do not apply to budget amendments, but in proposing any changes to the budget, any amendment must ensure that the proposal achieves a balanced budget.

Amendments will be debated and voted on in the order in which notice was received. The Mayor may waive this rule during the meeting if they believe there are good reasons to do so.

Only one amendment may be moved and debated at a time, and no further amendment shall be moved until the amendment under discussion has been disposed.

If an amendment is lost, other amendments may be moved on the original motion. If an amendment is carried, the motion as amended shall take the place of the original motion. This becomes the substantive motion upon which any further amendments are moved, except such as would have the effect of reviving the original motion.

Amendments to recommendations contained in Committee or officer reports to be considered by Council will be debated in the same way as amendments to motions.

3.1.16.5 Alteration of Motion

A Member may alter a Motion of which they have given notice with the consent of the meeting. The meeting's consent will generally be signified without discussion. Where it appears to be the Mayor that there is significant dissent, they may allow the dissent to be voiced and hold a vote on whether to accept the alteration.

A Member may alter a Motion which they have moved without notice with the consent of both the meeting and seconder. The meeting's consent will generally be signified without discussion. Where it appears to the Mayor that there is significant dissent, they may allow the dissent to be voiced and hold a vote on whether to accept the alteration.

A Member may alter a motion which they have moved without notice with the consent of the meeting and the seconder. The meeting's consent will generally be signified without discussion. Where it appears to the Mayor that there is significant dissent, they may allow the dissent to be voiced and hold a vote on whether to accept the alteration.

Only alterations which could be made as an amendment may be made.

If requested by any Member, the Mayor shall call upon the Democratic Services Officer to read back any alterations to any Motion.

3.1.16.6 Withdrawal of Motion

A Member may withdraw a Motion or amendment which they have moved with the consent of both the meeting and their seconder. The meeting's consent will be signified without discussion. No Member may speak upon it after the mover has asked permission for its withdrawal, unless permission is refused.

3.1.16.7 Right of Reply

The mover of a Motion has a right to reply at the end of the debate on the Motion, immediately before it is put to the vote.

If an amendment is moved, the mover of the original Motion shall also have a right of reply at the close of the debate on the amendment and may not otherwise speak on the amendment.

The mover of the amendment shall have no right of reply to the debate on their amendment.

When an amendment has been carried and a debate ensues on a further amendment, the right of reply to that further amendment shall be exercisable by the mover of the successful amendment, and not by the mover of the original Motion which it has replaced.

A Member exercising a right of reply shall not introduce new matters.

3.1.16.8 Point of Order

A Member may raise a point of order at any time. A point of order shall relate only to an alleged breach of a Procedure Rule or the law and the Member must indicate the rule or law and the way in which they consider it has been broken. The ruling of the Mayor will be final and not open to discussion.

3.1.16.9 Personal Explanation

A Member may make a personal explanation at any time. A personal explanation may only be related to some material part of an earlier speech by the Member, which may appear to have been misunderstood in the present debate. The ruling of the Mayor will be final and not open to discussion.

3.1.17. Leader's Statement *

At ordinary meetings of the Council (except the Annual Meeting) the Leader shall give an update report. The leader of any group which is not part of the administration may make a statement in response to the Leader's statement, following which any other member may also make a statement, subject to there being sufficient time. Any such statements must be a response to the subject matter raised in the leader's statement. The Leader will then be given an opportunity to respond to any such statements.

The Leader's statement will be a maximum of seven minutes. Any group leader who wishes to respond will have a maximum of five minutes. Any other member who wishes to speak will have a maximum of three minutes. The Leader will have a final right of reply at the end of the statement(s) of three minutes. The whole agenda item will have a time limit of 30 minutes.

3.1.18. Voting

(1) Unless this Constitution or the law provides otherwise, any matter will be decided by a simple majority of those present and voting at the meeting, by show of hands or electronic voting or, if no dissent, by affirmation of the meeting.

(2) If five councillors present at a Council meeting, three councillors present at a Committee/Panel or two Councillors present at a Sub-Committee meeting demand it, the names for and against the motion or amendment or abstaining from voting will be taken down in writing and entered into the minutes.

(3) Where immediately after a vote is taken at a meeting and any member so requires, there shall be recorded in the Minutes of the proceedings of that meeting whether that person cast their vote for the question or against the question or whether they abstained from voting. **(This rule cannot be suspended).**

(4) Voting on Appointments: Where there are more than two persons nominated for any position to be filled by the Council, and of the votes given there is not a majority in favour of one person, the name of the person having the least number of votes shall be struck off the list and a fresh vote shall be taken and continue until there is a majority of votes for one person. (Please see Rule 3.1.2 regarding voting on nominations for Mayor and Deputy Mayor.)

(5) Voting on decisions relating to the budget or Council Tax: In accordance with the Local Authorities (Standing Orders) (England) Regulations 2010 (as amended) the minutes will record how each member present voted on any decision relating to the budget or Council Tax. **(This rule cannot be suspended).**

(6) If there are equal numbers of votes for and against, the Chair will have a second or casting vote, regardless of whether they have used their first vote. There will be no restriction on how the Chair chooses to exercise a casting vote.

(7) Members must be present in the room for the discussion in order to be able to vote at meetings of the Planning Committee, Licensing Sub-Committee and Standards Sub-Committee.

3.1.19. Previous Decisions and Motions

3.1.19.1 Motion to rescind a previous decision

A motion or amendment to rescind a decision made at a meeting of Council within the past six months cannot be moved unless the notice of Motion is signed by at least one third of the whole number of the Council.

3.1.19.2 Motion similar to one previously rejected

A Motion or amendment in similar terms to one that has been rejected at a meeting of Council in the past six months cannot be moved unless the notice of Motion or amendment is signed by at least one third of the whole number of the Council Members. Once the Motion or amendment is dealt with, no one can propose a similar Motion or amendment for six months.

3.1.20. Minutes

(i) The Mayor/Chair will ask the meeting if they agree that the minutes of the previous meeting of the Council are correct, and if agreed will sign them as a correct record. The only part of the Minutes that can be discussed is their accuracy.

(ii) There is no requirement to sign the minutes of the previous meeting as a correct record, at an extraordinary meeting, instead those minutes, together with the minutes of the extraordinary meeting, will be considered at the next ordinary meeting. **(This rule cannot be suspended).**

3.1.21. Record of Attendance

All Members present during the whole or part of a meeting must sign their names on the attendance sheets before the conclusion of every meeting to assist with the record of attendance.

3.1.22. Exclusion of the Public

Members of the public and the press may only be excluded from the meeting in accordance with the Access to Information Procedure Rules in Part 3.2 of this Constitution or Council Procedure Rule 3.1.24.

If any question arises at a meeting (to which Section 100A (4) of the Local Government Act 1972, as amended, applies) as to the appointment, promotion, dismissal, salary,

superannuation or conditions of service, or as to the conduct of any person employed by the Council, such question shall not be subject to discussion until the meeting has decided whether or not to exclude the press and public.

3.1.23. Members' Conduct

When a Member speaks at full Council, they must normally stand and address the meeting through the Chair. If more than one Member stands, the Mayor will ask one to speak and the others must sit. Other members must remain seated whilst a Member is speaking unless they wish to make a point of order or personal explanation. Whenever the Mayor rises during a debate, any Member speaking at the time must stop and sit down. The Council shall be silent.

If a Member persistently disregards the ruling of the Mayor by behaving improperly or offensively or deliberately obstructs business, the Mayor may move that the Member be not heard further. If seconded, the motion will be voted on without discussion.

If the Member continues to behave improperly after such a motion is carried, the Mayor may move either that the Member leaves the meeting, or that the meeting is adjourned for a specified period. If seconded, the motion will be voted on without discussion.

If there is a general disturbance making orderly business impossible, the Mayor may adjourn the meeting for as long as they think necessary.

3.1.24. Disturbance by the Public

3.1.38.2. The Chair will remind those present that the meeting has a quasi-judicial role and determines the rights and obligations of the applicant. They will remind Members that they should not vote according to party lines but must consider each application and everything that is said in the meeting concerning the application, and then make their decision based solely on their planning judgment of the information available to them.

3.1.38.3. The Chair will also explain that following a decision by Members, delegated authority is given to the planning officer to issue the decision notice. 3.1.38.8. The Chair will remind the meeting that, Members must remain in the meeting for the whole time from the announcement of the item by the Chair through to the resolution of the Planning Committee and should not vote on that item unless they have done so.

3.1.38.14. The Chair will then invite the Planning Officer to summarise the item. If the Chair has not stated the agenda item number, the planning application number and the location then the Planning Officer will do so. The Planning Officer will provide a verbal summary of the application, outlining its main proposals. Where relevant the Planning Officer will also provide any necessary verbal updates to the Committee report and reference to any pre-Committee questions put forward by Planning Committee members and the responses from officers (See para 3.1.35.10).

3.1.38.15. The Chair will then invite any members of the public who have registered to speak to do so in accordance with the public participation rules.

by Members and ensuring their views focus on the material planning considerations involved.

3.1.38.19. The Chair can, at their discretion, refer technical or legal issues arising during the debate to relevant officers to respond as required during the discussion of the item.

Voting on each agenda item

3.1.38.20. When a vote is taken, the Democratic Services Officer will make a note of the number of votes for and against and the number of abstentions. If this is unclear, the meeting will wait until the Democratic Services Officer is satisfied that the vote is clear.

Where the vote is in accordance with the officer recommendation

3.1.38.21. If the vote follows the officer recommendation to approve the application for the reasons given in the report then planning permission will be granted subject to the issue of the decision notice.

3.1.38.22. If the vote follows the officer recommendation to refuse the application for the reasons given in the report then planning permission will be refused subject to the issue of the decision notice.

Where the vote does not follow the officer recommendation to approve

3.1.38.23. If the vote does not follow the officer recommendation to approve then:

a. the Chair will invite the Head of Planning to request the Committee to consider if the application should be deferred to the next meeting of the Committee.

b. If the decision is not deferred to a future meeting, a further motion must be made to refuse the application. Before voting on this new motion:

i. The Chair will give the planning officer the opportunity to explain the implications of any decision contrary to their recommendation.

ii. The Chair will remind the meeting that the courts have expressed the view that the Committee's reasons for refusal should be clear and convincing, capable of articulation and open to public scrutiny and be material planning reasons. The precise wording of the reasons for refusal must be clearly defined before the Committee votes on the motion. The Chair will propose a short adjournment of the meeting to allow officers to draft the framework wording rather than leaving the reasons to the officers to draft following the meeting, and to provide delegated authority to the Head of Planning to make any necessary detailed wording changes. A detailed minute of the Planning Committee's reasons (which should be full, clear and relate to material planning considerations) should be made by the Democratic Services Officer and a copy placed on the application file.

If the vote is passed then planning permission will be refused subject to the issue of the decision notice.

Where the vote does not follow the officer recommendation to refuse

3.1.38.24. If the vote does not follow the officer recommendation to refuse for the reasons given in the report, the Chair will invite the Head of Planning to request the Committee to consider if the application should be deferred. If the decision is not deferred to a future meeting:

- a. A further motion must be made to approve the application with delegated authority given to the Head of Planning to impose suitable conditions;
- b. If the vote is passed then planning permission will be approved subject to the issue of the decision notice.

Clarity on the outcome of the voting

3.1.38.24. The outcome of the voting will be announced by the Chair before moving on to the next item. If the Chair fails to do this then the Head of Planning will step in and announce the outcome.

Debating motions to undertake a site visit or defer the item

3.1.38.25. If during the debate on an item a motion is moved to undertake a site visit or to defer the item to a future meeting then a seconder for this motion will be sought and any further debate will be to this new proposal rather than the substantive motion. The new motion will be voted upon following the debate. If this motion is defeated, a further vote will be taken on the substantive motion.
