

Proposed amendment to motion pets as prizes

As below with the removal of point 2 to be replaced with the alternative point.

1. Notes its opposition to the giving of live animals as prizes.

~~2. Asks the Environment Committee to develop and, if appropriate, adopt a council policy which bans the giving of live animals as prizes, in any form, on Swale Borough Council owned land, to the extent that this is feasible within the law and other constraints.~~

2. That the Council leader writes to the UK Government requesting an outright ban of live animals as prizes on both public and private land as recommended by the RSPCA campaign.

Proposer: Councillor Hannah Perkin

Seconder: Councillor Eddie Thomas
