One measure being considered by Swale BC is a Public Space Protection Order (PSPO) that would enable us to gate this alleyway. In order to comply with the legislation to undertake this, we have to have in place a level of evidence to prove that the behaviour being experienced is persistent and that we have also tried a range of less restrictive measures. We are also currently review the costs to implement such a gating scheme and how this could be funded before moving to any next steps.</p>	<p>The Community Safety Manager reported that Swale Borough Council are continuing to work towards a Public Space Protection Order (PSPO) to seek to gate this alleyway.
