1 Purpose of Report and Executive Summary

- 1.1 To present members with a draft revision of the current Swale BC Street Trading Policy 2024 – 2027 for Members comments prior to consultation.

2 Background

- 2.1 Under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982, a local authority may regulate street trading in their area. Swale BC has adopted these provisions for the whole of its area and on 23rd July 2010 designated all streets in the area as 'consent streets'.
- 2.2 The effect of this designation is that any street trading in any street is prohibited, subject to legal exemptions, without first obtaining a street trading consent from the Council. Swale BC has had a policy in place since 2013. There is no statutory requirement for a local authority to have a formal Street Trading policy; however, a Council can choose to adopt such a policy.
- 2.3 The adoption of a Policy benefits customers as well as reassuring the general public and other public bodies. It also reinforces effective practices and ensures proportionate, consistent and targeted regulator activity, whilst also developing a transparent and effective dialogue and understanding between regulators and those we regulate.
- 2.4 The current edition of the Swale BC Street Trading Policy was firstly adopted by full Council on 31st March 2021. This was then subject to some amendments which were approved by Licensing Committee on 15th February 2023

<https://services.swale.gov.uk/meetings/documents/s25130/Street%20Trading%20Report.pdf> and adopted by full Council on 5th April 2023. The amended policy is available to view at <https://swale.gov.uk/news-and-your-council/strategies-and-policies/street-trading-policy>

2.5 As the policy is subject to renewal at three yearly intervals it is now time for the policy to be reviewed to run for a period from 1st April 2024 – 1st April 2027.

3 Proposals

3.1 As the current policy has been subject to scrutiny and amendment and is now working well, there are no proposed changes except for the following:

- New paragraph 7.17 to explain procedure for ‘one-off’ consents
- Appendix I – ‘documents to provide on application’ where the following has been inserted:
 - Public Liability Insurance to the value of £5,000,000
 - Copy of food hygiene certificate where applicable

It is confirmed that these documents have always been included as requirements on the application form and have always been requested but were not included within the policy.

3.2 The draft policy is shown attached as **Appendix I**.

4 Alternative Options Considered and Rejected

4.1 Members could consider not consulting on the proposed policy; however, this would not accord with good governance, or give interested parties an opportunity to comment on the policy and make representations about it. Therefore, this option is not recommended.

5 Consultation Undertaken or Proposed

5.1 It is proposed that an eight-week consultation takes place to run between 1st November 2023 – 29 December 2023. Methods of consultation will be by advertising on the Council’s website and where appropriate by email and post.

5.2 Consultees will be the following:

- Ward, Parish and Town Councillors
- Existing licence holders
- Event organisers for larger events such as Faversham Hop Festival and town Christmas Lights events
- The general public

- Kent Police
- KCC Highways
- Swale Safety Advisory Group (which includes various departments of the Council such as Environmental Health, Planning, Property Services, Economy and Regeneration, Green Spaces teams)

5.3 All incoming responses will be entered onto a grid for consideration. The Community Services Manager together with licensing officers will conduct an evaluation of each response and give a recommendation as to whether or not to amend the policy statement. The grid and recommendations will be put before a future meeting of the Licensing Committee for consideration and inclusion of any amendments for endorsement, prior to formal adoption by full Council.
