## **1 Purpose of Report and Executive Summary**

1.1 At the Licensing Committee meeting of 19<sup>th</sup> October 2023, a draft Street Trading Policy under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 was approved for public consultation. This report seeks approval from Members to endorse the draft Street Trading Policy so that it can be presented to full Council for formal adoption.

## **2 Background**

2.1 Under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982, a local authority may regulate street trading in their area. Swale BC has adopted these provisions for the whole of its area and on 23<sup>rd</sup> July 2010 designated all streets in the area as 'consent streets'.

2.2 The effect of this designation is that any street trading in any street is prohibited, subject to legal exemptions, without first obtaining a street trading consent from the Council. Swale BC has had a policy in place since 2013. There is no statutory requirement for a local authority to have a formal Street Trading policy; however, a Council can choose to adopt such a policy.

2.3 The adoption of a Policy benefits customers as well as reassuring the general public and other public bodies. It also reinforces effective practices and ensures proportionate, consistent and targeted regulator activity, whilst also developing a transparent and effective dialogue and understanding between regulators and those we regulate.

- 2.4 The current edition of the Swale BC Street Trading Policy was firstly adopted by full Council on 31<sup>st</sup> March 2021. This was then subject to some amendments which were approved by Licensing Committee on 15<sup>th</sup> February 2023 <https://services.swale.gov.uk/meetings/documents/s25130/Street%20Trading%20Report.pdf> and adopted by full Council on 5<sup>th</sup> April 2023. The amended policy is available to view at <https://swale.gov.uk/news-and-your-council/strategies-and-policies/street-trading-policy>
- 2.5 As the policy is subject to renewal at three yearly intervals it is now time for the policy to be reviewed to run for a period from 1<sup>st</sup> April 2024 – 1<sup>st</sup> April 2027.

### **3 Proposals**

- 3.1 As the current policy has been subject to scrutiny and amendment and is now working well, there are no proposed changes except for the following:
- New paragraph 7.17 to explain procedure for ‘one-off’ consents
  - Appendix I – ‘documents to provide on application’ where the following has been inserted:
    - Public Liability Insurance to the value of £5,000,000
    - Copy of food hygiene certificate where applicable

It is confirmed that these documents have always been included as requirements on the application form and have always been requested but were not included within the policy.

- 3.2 The draft policy is shown attached as **Appendix I**.

### **4 Alternative Options Considered and Rejected**

- 4.1 Members could choose not to have a Street Trading Policy, however, to do so would be contrary to best practice and may lead to a lack of clarity on the application of the legislation.

### **5 Consultation Undertaken or Proposed**

- 5.1 An eight-week consultation ran between 1<sup>st</sup> November 2023 – 29<sup>th</sup> December 2023. Methods of consultation were by advertising of the Council’s website, in local newspapers and where appropriate by emails and post.

- 5.2 Consultees were:

- Ward, Parish and Town Councillors
- Existing licence holders
- Event organisers for larger events such as Faversham Hop Festival and town Christmas Lights events

- The general public
- Kent Police
- KCC Highways
- Swale Safety Advisory Group (which includes various departments of the Council such as Environmental Health, Planning, Property Services, Economy and Regeneration, Green Spaces teams)

5.3 Despite the wide-ranging nature of the consultation, only one response was received. This is likely to be because the current Street Trading Policy had been subject to review and amendment and is now working well, and to the benefit of all applicants.

5.4 The grid and recommendations is attached as **Appendix II**.
