No.	Item	Background	Actions/updates
1.	Heritage issues	The Conservation & Design Team have been providing regular updates.	<p>Milton Regis Conservation Area - The Conservation Area appraisal was presented to the Policy & Resources Committee on the 7 February 2024, where it was unanimously agreed to adopt the proposed document along with the proposed Boundary changes. Next step is to finalise the document with the proposed changes and send notifications to the properties within the conservation area and to London Gazette. It is envisaged that the final adopted document will be updated on the SBC website by Autumn of 2024. This work is being progressed.</p> <p>Newington Conservation Areas: The three Conservation Areas in Newington are being reviewed and are scheduled to go out for public consultation in Spring of 2025.</p> <p>Area of Special Control of Advertisements (ASCA)</p> <p>Swale Borough Council currently does not have an ASCA. Since the adoption of the Heritage Strategy in 2020 and subsequent Action Plans wherein a number of Conservation Areas have been reviewed, it has been proposed that in order to better manage and maintain Swale's historic environment and heritage, a borough wide ASCA can prove beneficial.</p>

			<p>Any designation needs to be based on public consultation and must follow specific legal steps, including consideration of the order by the Secretary of State.</p> <p>Following an all members briefing in May 2024, it was agreed that a draft consultation document be prepared for approval by the Planning Committee, before undertaking public consultation.</p> <p>The draft consultation document is estimated to be ready by spring of 2025.</p>

The project will need to be complete by March 2025 in line with UKSPF requirements.</p>	<p>Review of work programme in consultation with the Sittingbourne Society has taken place. Pricing is such that elements of the scheme will need to be reviewed to seek cost reductions and some additional works may be needed on rear fence-line. Main works have commenced, but some landscaping and planting elements will be delayed in line with seasons.</p>
