Holm Park Sports and Recreational Ground is a football facility that includes a main stadium, training pitches, two car parks, and various buildings. Among these structures is a two-story clubhouse, which features changing facilities for home and away teams, as well as officials. Additionally, the clubhouse provides accessible facilities for disabled individuals. The second floor of the clubhouse comprises a hall, a bar, a boardroom, and storage cupboards. Surrounding the main pitch, there are additional buildings, including re purposed shipping containers. One of these containers serves as a bar, while another functions as a classroom. To comply with Football Association regulations, a designated area for away supporters has been established. This section includes toilet facilities and a kiosk for the sale of alcoholic beverages ,teas, coffees soft drinks and snacks. Plans are in place to introduce a second food outlet for this area in the future.

On match and festival days, off-sales will be restricted to designated areas around the stadium, pitches, and car parks and all areas within the Holm Park grounds. Holm regularly hosts football festivals and competitions and is also the current venue for the Rotary Beer Festival. Events of this nature necessitate the installation of additional temporary bars within the park grounds

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
