

## FIRST CONSULTATION Proposed Double Yellow Lines South Road, Faversham

Following requests from residents and the County Councillor, it is proposed to install double yellow lines on the north side of South Road, between the junctions of Lower Road and Tanners Street.

It has been reported that vehicles parked along this section of South Road are causing issues for residents entering and exiting their driveways, and also creating an obstruction to the through route of South Road by buses. In order to strike a balance between the need to resolve these issues and minimise the impact on the on-street parking capacity, it is proposed to place the restrictions on the north side of the road where there are already a number of vehicle crossings and dropped kerbs.

I would be most grateful to receive your views as to whether you would support or object to the proposals, so that this feedback can be considered before amending the Traffic Regulation Order. Please note that direct, individual responses will not be sent out in response to each questionnaire. At the end of the consultation a report on feedback will be compiled and this will be available on request.

Please complete the reply slip below and return to Swale Borough Council Engineering Services, Swale House, East Street, Sittingbourne, Kent ME10 3HT before Wednesday 24<sup>th</sup> September 2014. Alternatively you can e-mail your comments to us at [engineers@swale.gov.uk](mailto:engineers@swale.gov.uk)

A space has also been provided to allow you to add any further comments you may have.
